

MANDATORY Managed Care Compliance Training CMS REQUIRED

1. Go to <http://www.MedicareMeridian.com>
2. Hit "Explore Plans" box
3. Select "Illinois" for State
4. Choose "Medicare" box under Illinois Plans
5. Select "Providers" under the Meridian Complete box that comes up
- 6. Key Step: Select Provider Resources from the boxes along the top**
7. Select "Medicare Compliance" from the left side menu
8. Scroll down to Compliance and FWA Training section and click on: "1. CMS Medicare Parts C & D Fraud, Waste, and Abuse (FWA) Training (Part 1) and Medicare Parts C & D General Compliance Training (Part 2) Module
9. Hit "okay", and this takes you to a Meridian training/log-in web-site
10. Go through all of the training on-line and when completed, you will be asked to put in your facility NPI number (NPIs should be obtained from the therapy supervisor – PRNs contact sup at most frequented site. Please note the supervisor will need to give you this # verbally not via email or text. Also only one NPI # is needed)
11. Site then requests your phone number
12. Then hit "Post Results" and enter Your Name and Your E-Mail ID (your e-mail address)
13. Then to print certificate go back thru steps 1-7 above; then continue as listed here:
14. Scroll down to Training Attendance Log
15. Write in Name and Date of completion on the certificate.
16. Print out Certificate
17. Send a copy of the completion certificate to Anisa for your credential file either via fax: 630-559-8430 or email: credentials@cptrehab.com

If you have any issues with the certificate, let Anisa know please. This will be an annual credential and we are required to hold on to each certificate for 10 years. Once you complete the training for one Ins group you will satisfy the annual CMS requirement.
