

Credentials / Competencies

- Therapist credentials are maintained in personal files in the CPT office; **exception:** the state professional license must be on file at the facility
- **It is the therapist's responsibility to maintain current credentials**
- **Competencies will be completed annually by appropriate personnel and kept on file at CPT**
- **See following page for further details regarding credentials and competencies**
- **Anisa Cichon currently notifies staff & supervisors of when items are due. She sends out all appropriate forms**
